

## **From the Bloc Quebecois Policy Statement – Present for Québec!**

*Québec culture* is vitally important for our people who represent only 2% of North America's population. Other parties consider Québec culture a regional component of Canadian culture; consequently, the Bloc Québécois is the only true ally of Québec culture.

### *The Future of the Québec Nation*

Reach an agreement to transfer control over telecommunications to Québec – to control our cultural tools

### *Québec Culture*

- Re-establish cultural programs
- Remove the GST on books
- Permit income averaging for artists' income
